1	The field in which you are thinking to put the frisbee golf course is an extremely bad place. People walk through that field with their dogs and/or kids. People who live in the surrounding area facing the park DO NOT want tons of people there everyday. The neighborhood is already peaceful with enough activities.	4/13/2022 1:30 PM
2	There are much larger courses within driving distance. I absolutely do NOT want a frisbee golf course in the neighborhood. It's already too small for some of the activities the park offers, getting hit with a frisbee while playing at the park with my daughter isn't my idea of a good time.	4/13/2022 10:34 AM
3	Terrible idea, is definitely not the place for that activity. Will disrupt the privacy of residents that live across from the parks. Parking and extra traffic will irritate private residents. There is no need to create extra congestion from people that don't live in the neighborhood	4/13/2022 6:41 AM
4	I think this would be an amazing addition to the Leawood community and provide much needed encouragement to be outside.	4/2/2022 2:08 PM
5	Are very much against the idea. We just learned of this today...not through a flyer, notice, but	2/11/2022 7:24 PM

by word of mouth. If what we understand is true, it would be directly across from our home on Kendall St, on the other side of the creek. 1st of all we always understood that land was Jeffco Open Space, 2nd it would devalue the homes directly adjacent to it. What would happen to the beautiful wildlife we enjoy? the birds, Heron, etc. Your priorities are out of whack....we need speed bumps along Weaver for all the speeding cars and stop sign runners. It is a dangerous problem that has not yet been addressed. Again, the frisbee golf course is a BAD idea! Oh and not to mention the problem with cars parked along Kendall if this would go through.

6	Although I wouldn't likely use it, I could see where this may be a good addition for others.	1/4/2022 9:36 AM
7	interested to know how that would change Kendall Park	12/30/2021 10:41 AM
8	Again I think this would be used. I would like to see a pickleball court.	12/1/2021 5:25 PM
9	I won't... but my brother would when he comes to visit.	12/1/2021 12:38 PM
10	Would love that!!	12/1/2021 8:48 AM
11	I've never played so it's hard to say for sure	11/30/2021 10:22 PM
12	Would like that as a family activity	11/30/2021 9:08 AM
13	No would not use it	11/18/2021 8:10 PM
14	If a disc golf course were added I would use it but I actually don't recommend it. It really changes the aesthetic of a park and can damage the environment-especially the trees and turf. The creek would also be damaged by too much foot traffic. I love disc golf but feel there are an adequate number of options in the region.	11/7/2021 6:46 PM
15	Our grown kids would love it when they come visit.	11/6/2021 5:17 PM
16	Although I don't think I would use it that much, it would be nice to have it as a possible activity to consider.	11/6/2021 3:07 PM
17	My son loves Frisbee golf and it would be used often	11/4/2021 2:54 PM
18	Build a pool, more people would use.	10/31/2021 7:23 AM

10	The serenity, wildlife, and quiet. One of the reasons people move to Leawood is it has what it needs already and this frisbee golf course could be developed closer to the existing basketball court & volley ball court.	2/11/2022 7:24 PM

10	Maybe incorporate some adult pieces of exercise equipment in the parks. An area for skateboards or roller blades. Always thought a pool would be nice but know that would be expensive and would require continued money for upkeep, staffing, liability, insurance costs.	2/9/2022 9:36 PM

26	More trash containers. Better trimming of bushes next to the walking paths. NOT removal, but trimming, so that you do not have to get off the path, into snow.	12/6/2021 6:31 AM
27	Plant more trees	12/3/2021 7:46 PM
28	Better mowing and clean up. Parks looked worse last year than year that I've seen them in 35 years.	12/2/2021 6:09 AM
29	Pickelball court it's the up & coming sport. Keep planting trees and replace those that have died. Also would like to see flower beds.	12/1/2021 5:25 PM
30	I don't like the teeter-totter at Leawood park because it has been a safety issue for my kids in the past. It is very fun but I have seen many near-accidents of little ones flying off of it.	12/1/2021 3:07 PM
31	Frisbee golf would be excellent. Maybe a golf putting green Also, more dog bag stations around the soccer field area	12/1/2021 8:48 AM
32	The grass around the sidewalks seems to be unhealthy and full of weeds.	11/30/2021 10:22 PM
33	I honestly think the variety of equipment on the playgrounds are better than a lot of parks. We love the different play structures at Clement Park but that tends to be too busy and hectic for ages 1-4. Plus crossing Pierce can be stressful with little kids to get over to.	11/30/2021 4:32 PM
34	cleaner in general. more trash pick ups	11/29/2021 12:34 PM
35	I would love a community only pool. I would be willing to pay a monthly fee for this feature. Leawood park also needs to update their playground equipment	11/28/2021 9:34 AM

50	Bike racks at Weaver	11/17/2021 11:44 AM
51	Gaga ball court Pool	11/16/2021 9:39 PM
52	Better cleanup of the creek, there are pockets of debris where creek narrows or tangles with tree roots.	11/16/2021 4:05 PM
53	1. Weaver Park - install a separate trashcan for dog poop that is apart from the eating area. It's disgusting to sit at a table in the summer and smell it. 2. Weaver Park - install basketball net and goal markings on the backboard, and mark the court 3. Weaver Park - either re-do the volleyball and make it proper or remove it, it's an eyesore 4. Weaver Park - There's graffiti that's been here for years and years. The eating pavilion area. Attend to graffiti immediately so it doesn't self-perpetuate. 5. Weaver Park - take the tennis nets down in the winter, I saw kids using them as a chair the other day. 6. Weaver Park - is there room for an off-leash dog area? 7. Weaver Park - how about letting parts of the native grass areas grow rather than mowing them short? Natural grasses are so pretty and they enhance biodiversity.	11/16/2021 2:40 PM

63	I want the trees to keep getting trimmed back (within park boards' budget). There has been a ribbon on a tree near my backyard for several months and I don't know why it's there unless it is to mark the tree for trimming. Plus, a lot of those trees are dead and need to be cut severely back.	11/6/2021 3:07 PM

1	I think the frisbee golf in the park would be a bad idea, because it might take away from the nature aspect that I love about the neighborhood. Having it would mean frisbees flying everywhere or in the creek or kids climbing into yards and invading privacy. But i think the renovated volleyball sand area would be a great idea, and would help bring kids to the weaver park area, where there is already a lot of activity.	4/13/2022 1:32 PM
2	DO NOT PUT IN THE FRISBEE GOLF COURSE. Many residents are against the idea and it would take away from the peacefulness and good parts about the neighborhood	4/13/2022 1:30 PM
3	If you're considering frisbee golf for this park, I'd like to kindly ask that you reconsider. I actually play frisbee golf and very much enjoy it. However in my experience, the courses I play at, are in areas much better suited for parking, and are much further from peoples homes.	4/13/2022 10:34 AM
4	I feel that the park should not consider disc golf for the sake of the affected residents privacy both from noise and increased foot traffic and cars. Those residents would be forced to contend with disc golf continuously without a reprieve.	4/13/2022 6:41 AM
5	I live on Kendall Street and do NOT want this frisbee golf course. It will create traffic, noise, and a hazard to cars. There are already 4 courses within the vicinity. This will be a huge disruption to a wonderful and quiet open space.	4/11/2022 5:18 PM

13	Why can't we have speed bumps along Weaver? Especially as approaching the stop signs. In years past the subject was brought up and we were told could not do it because houses have to be on both sides of the road. Why theb does Woodmar along Polk have them? Would like that to be pursued again. Cars speed on Weaver around curve ignoring stop signs. Would like this to be discussed and considered.	1/4/2022 3:29 PM

23	Yes. PLEASE do not kill or remove the beavers in Racoon Holler Park!! This is something natural that few people have an opportunity to see. They improve , not destroy. Notify Leawood School, and bring classes to see up close and personal these wonders of nature. This is almost unheard of in an urban setting, to be able to walk right up next to an actual active beaver dam. LEAVE IT ALONE, if at all possible.	12/6/2021 6:31 AM

54	Policy should include free use for residents since we pay taxes. Any restrictions should have 24x7 response line for scheduling and communication. 58	Better weed management would be appreciated. Roping off areas at the pavilion at Leawood in the winter that collect ice (to present accidents). At least one more doggy poop bag dispenser at Leawood. The one there is often out of bags. Would suggest the East entrance to the park. Lots of trees overhang the fence along the south side of the park, much of which are dead. Could we get homeowners to trim the overhangs. If not, can we do that?	10/21/2021 3:37 PM
